

Brian Gray, DDS
2018
Course Biography

Dr. Brian Gray is a 1986 graduate of Georgetown University School of Dentistry. He is a Master and LLSR in The Academy of General Dentistry, and a Fellow in the International Congress of Oral Implantologists, International College of Dentists and Academy of Dentistry International.

The American Dental Association appointed him as one of two practicing GPs to the Council on Scientific Affairs. Dr. Gray is also an instructor at the L.D. Pankey and Dawson Institutes, and 9 Universities. He is a graduate of the Pacific Aesthetic Continuum and the Pankey Continuum. A number of dental manufacturers and non-profit clinical research facilities rely on his input for product evaluation, research and development.

Dr. Gray has spoken on new dental technologies in over 200 U. S. cities and 10 countries since 1994. Dentistry Today has honored Dr Gray annually as one of America's Top Clinicians in Continuing Education since 2006. A number of networks and magazines have sought his input concerning cosmetic dental issues. Dr. Gray is published in many journals, including The American Dental Association and The American Academy of Cosmetic Dentistry. He longest tenured faculty member at Align Technology and has certified over 20,000 general practitioners in the Invisalign process since 2001. Dr. Gray is an Invisalign Premier Provider and maintains a full time fee-for-service private practice in Washington, DC.
